During or immediately following rain or inclement weather, please call the rainout line 503-823-2030. If no new messaging is provided the playability should be determined on-site by using by using these simple criteria:

-If stepping on the infield produces a 1" deep or greater water-filled footprint or when running produces the same result, then play is not permitted.

-If there is any doubt, always choose not to play. Failure to follow this policy can result in fines, assessment of damage charges and cancellation of current and future permits.

-Synthetic turf fields are not closed due to rain. They may be closed due to severe cold, ice and snow.

PRACTICE IN STADIUMS: Stadiums are game only facilities. Permittees found practicing in PP&R stadiums will be fined \$50 for the first occurrence, \$150 for the second occurrence, and \$250 for the third occurrence. Repeat violations may result in the cancelation of your permit and loss of access to PP&R. (Stadiums: Erv Lind, Sckavone and Walker.)

UNAUTHORIZED SERVICES AND APPLICATIONS: Application of chemical substances such as herbicides are strictly forbidden on PP&R and PPS property. This permit DOES NOT provide the permittee the authorization to use or apply such herbicides or other chemicals. Permittees are subject to a fine of \$250 per occurrence. Multiple offenses may result in loss of access to PP&R & PPS facilities.

UNAUTHORIZED CONSTRUCTION OR PLACEMENT OF STRUCTURES: This permit DOES NOT provide the permittee with the authority to make changes to, build or place structures on permitted property without prior approval of the property owner. That approval must be received in the Customer Service Center prior to the commencement of work and issuance of this permit. Permittees are subject to fine of \$250 per occurrence. Multiple offenses may result in loss of access to PP&R & PPS facilities.

EQUIPMENT IN PARK OVERNIGHT:

In limited situations, storage units may be included with a usage permit and placed within Portland Parks and/or Portland Public School athletic facilities. PP&R and PPS retain the right to approve or deny the placement of these units. Leagues are required to provide containers that meet PP&R standards for size, color, security, etc. Leagues provide all maintenance for the container per PP&R standards regarding repair, graffiti removal and cleanliness. All non-compliant storage units will be removed from the park at the Permittees expense.

No equipment may be left in the park overnight without Parks approval. Equipment or other elements of the permittees set up left in the park overnight require the permittee to provide overnight security to protect the park, the permittee's property and the safety of the public. Any equipment left in the park beyond dates on this permit granted to the permittee will incur additional daily usage fees.

Late Removal Fees: The Permittee will be charged \$5 for each day the container that is in or adjacent to the park beyond the permitted time up to \$150 or 30 days. After 30 days, the league will be charged \$25 a day until the entire deposit is forfeited (14 days).

-If the container still remains in and/or adjacent to the park after the entire deposit has been forfeited, Parks retains the right to deny future permits requesting the placement of a container in any park the following years.

-If Parks incurs any costs due to cleanup, repair, or towing of a container, no new permits will be issued to

that league until those costs have been recovered.

STAKES IN THE GROUND:

The use of stakes is not allowed in any Portland Park (except Waterfront) due to in-ground utilities and irrigation. Water barrels, stage weights, concrete block or other suitable materials must be used to secure canopies, tents, inflatable jumping castles/bounce houses, and volleyball nets.

FENCING:

Outfield fencing erected on ball fields must be approved by Portland Parks & Recreation Athletic Field Maintenance. Fencing must be removed on or before the last permitted date.

TREES:

Nothing may be attached or tied to trees.

PORTABLE RESTROOMS:

Portable Restrooms are often placed in support of permitted athletic play. If a park is scheduled to have a Portable Restroom, we will make every attempt to have it placed on or before the first day of permitted play and removed following season use.

The cost for placement, servicing, and removal of these portable restrooms is spread evenly between users. PP&R includes an estimated amount for vandalism, maintenance and replacement of restrooms that may be destroyed.

Portable Restrooms are intended to provide services to events and activities in facilities that either do not already have restrooms or to supplement existing restrooms. The fact that there may be existing restrooms in a park does not necessarily preclude PP&R from requiring additional Portable Restrooms.

The following are the possible reasons PP&R may require placement of additional restrooms:

There is no restroom at the facility. Restrooms in parks are not meant to satisfy all users and activities in that park. The duration and size of an event in combination with all other events at a location may require placement of additional portable restrooms.

If you have more than 125 in attendance at your event, you will always need to supply a portable restroom. However, if the Customer Service Center determines that the number of participants is high enough to impact the current service level, PP&R may require additional portable restrooms.

The permitted event is more than 2 hours in duration.

The event is re-occurring over multiple days or weeks. Sports leagues, practices, games, etc. This supersedes the 2-hour rule.

The permitted location or facility is adjacent to other permitted facilities whose activities in combination with the latter are significant enough to require additional restrooms. The Park Supervisor will determine the number and placement of all additional portable restrooms.

If food and beverages are a component of the event. This can be through sales from a food concession, caterer or BYOB.

Restrooms are placed at a cost to the Permittee. (See Restroom Fees on the 2019 Guidelines for Reserving Athletic Facilities.)

Any changes or adjustments to these locations must be approved by the Park Supervisor.

An opt-out option is available for leagues who are the only users of a specific facility for the season. In that instance, the Permittee can supply the portable restroom themselves. In this case, the league takes sole responsibility for the following:

-Security. Must be secured with an appropriate lock.

-Repair. Damage must be repaired within 2 days.

-Graffiti Removal. Removal required within 2 days.

-Cleanliness. The area in and around the Portable Restroom/s must be well maintained, with grass mowed, and trash removed daily.

NON-DISCRIMINATION STATEMENT:

By holding an approved Portland Parks & Recreation Permit, the Permittee agrees that the permitted organizations, agents and representatives will not discriminate against anyone on the basis of race, color, gender, national origin, sexual orientation, marital status, religion or disability while using the facilities, parks and areas permitted on this permit. It is agreed that suspension of privileges granted by Portland Parks & Recreation may result from violation of this agreement.

Americans with Disabilities Act Compliance Mandates:

1. PATH OF TRAVEL

2. ENTRANCE AND EXIT "GATES"
